## **INTRODUCTORY STATEMENT**

Welcome! As an employee of Idyllwild Water District, you will find your employment to be both rewarding and challenging. Because the quality of our employees is the key to our success, we carefully select our new employees. In turn, we expect employees to contribute to the success of the District.

Idyllwild Water District's mission is:

**“TO PROVIDE RELIABLE WATER AND SEWER SERVICE IN A SAFE, COST EFFECTIVE AND ENVIRONMENTALLY SOUND MANNER IN ACCORDANCE WITH COMMUNITY NEEDS”.**

The Employee Manual contains the District's policies and practices in effect at the time of publication. All previously issued manuals and any inconsistent policy, practice, benefit statements, or memoranda are hereby superseded.

### **1.1 OVERVIEW**

#### **1.1.1 Purpose**

The purpose of this employee policy manual is to provide guidance to the employees of the Idyllwild Water District (IWD), which will be referred to as the “District” from here on out. The General Manager is vested with the authority to administer personnel relations in accordance with the terms of this manual.

This manual highlights areas of importance to facilitate efficient and economical service to the public, as well as promote a fair and equitable system of personnel management within the District. This manual does not provide an answer to all personnel questions and issues that may arise regarding responsibilities, obligations, rights, privileges, benefits, and prohibitions which, are placed upon all employees of the District.

This manual is not a contract. Accordingly, it should not be interpreted to create any expressed or implied contractual rights between the District and any employee. It is expressly understood that the contents of this manual do not constitute the terms of a contract of employment or benefits. Thus, this manual should not be construed as a guarantee of continued employment. Any verbal or written representations to the contrary are invalid and should not be relied upon by current or prospective employees.

Employees are expected to read this manual carefully and to know and understand its contents. Every employee is responsible for completing the following within two weeks of receiving this manual: reading and signing the

Acknowledgment Form and return it to the General Manager or Chief Financial Officer. This Acknowledgment Form contains important points for employees and provides the District with a record that each employee has received this manual.

The policies set forth in this manual replace any and all previous policy statements, whether written or oral, which differ from or are inconsistent with the policies expressed in this manual. No such prior policies or procedures shall have any force or effect after the effective date of this manual.

This manual may be revised and updated from time to time, as deemed necessary by the General Manager of the District subject to approval by the Board of Directors.

### **1.1.2 About the District**

The Idyllwild County Water District was approved by the voters in 1956 as a legal entity to provide water services. The 130,000 feet of water lines and 63,000 feet of sewer lines are located within 9 square miles covering an area of 1,592 acres.

The District provides two (2) types of utility services to the community of Idyllwild: water service and sewer service. Water and sewer services are provided to a combination of residential, commercial, and industrial customers. Treated well water from our 28 wells is distributed to individual customers living in the community of Idyllwild. For the first 5 years IWD's main responsibility was to provide water services and later in 1966 constructed its wastewater plant and the sewer collection system. Later the County was dropped from its name to become the Idyllwild Water District.

The District operates under the authority of Section 30000, Division 12 of the California Water Code and engages in water and wastewater activities which are classified as "proprietary". These activities are accounted for much like that of a private business and use the full accrual method of accounting for financial transactions. The major activities include production and treatment of groundwater; sale and delivery of water to domestic and commercial accounts; and collection, treatment, and disposal of wastewater.

The District is governed by a five-member Board of Directors, elected by registered voters of the District ("the Board"). As elected officials, the members of the Board represent the citizens and taxpayers of the District. The Board establishes policies for the District and the employees of the District are responsible for carrying out these policies. Each Director serves a four-year term. The Board of Directors meets regularly on the third Wednesday of every month.

The District's chief administrative officer is the General Manager. The General Manager is appointed by the Board. The General Manager, in turn, is responsible for filling all other employment positions in the District. The General Manager implements the policies adopted by the Board by issuing directives to the District's supervisors and staff. In turn, employees are expected to comply with the directives of the General Manager.

#### 1.1.2.1 District Values

All employees shall demonstrate and abide by the following values:

- **Leadership:** We are a team. The community is supported through mutual cooperation and respect. Great ideas come from many sources, and we listen with an open mind.
- **Caring:** We care about the quality of our water; we care about our customers' satisfaction, and we care about the quality of the working environment.
- **Integrity:** We are honest with one another, with our customers and with our industry partners. We maintain a quality operation that is fiscally sound and forthright. We want the trust and respect of our community and ratepayers.
- **Professionalism:** We are committed to standards of excellence, accuracy, and superior conduct.
- **Vision:** We recognize that decisions we make today impact the future of this District and our community. We value our community's natural resources and actively seek ways to improve our services through local control and stewardship.

#### 1.1.2.2 Open Door

Management adheres to an open-door policy and encourages all employees to share opinions, ideas, and thoughts about general operations, especially relating to improving efficiency, increasing productivity, devising innovative solutions, and achieving desired results. The open-door policy is intended to encourage personnel at all levels of the District to express their opinions and ideas about any general item. The open-door policy allows management to understand details of the District's operations and creative suggestions for improvement that might be lost in translation as the message makes its way through multiple channels.

#### 1.1.2.3 Employee Recognition

Employees receive recognition for every five (5) years of service.

As part of the District Safety Program, individuals or the entire staff may receive awards for continuous safe work actions.

## 1.2 THINGS TO KNOW

**1.2.1 Fiscal Year**

The District operates on a fiscal year, from July 1<sup>st</sup> to June 30<sup>th</sup>. Unless otherwise noted, employee functions in this manual are based on a fiscal year.

**1.2.2 Bulletin Boards**

District bulletin boards are reserved for the exclusive use of the District for posting work-related notices or notices which must be posted pursuant to local, state, and federal law. From time to time, special notices and information for employees will be posted by the District on the bulletin boards. Please check the boards regularly for such notices.

## 2.1 GENERAL POLICIES

### 2.1.1 Equal Opportunity Employer

To ensure our workplace is free of artificial barriers, violation of this policy including any improper retaliatory conduct will lead to discipline, up to and including termination. All employees must cooperate with investigations conducted pursuant to this policy.

### **2.1.2 Reasonable Accommodation**

Absent undue hardship on the District, or direct threats to the health and safety of employee(s), the District provides employment-related reasonable accommodations to:

Any employee who requires an accommodation in order to perform the essential functions of his or her job should contact their supervisor/manager, Chief Financial Officer or General Manager and request an accommodation. The District will conduct an interactive process with the employee to determine whether the requested accommodation or an alternative is reasonable and can be implemented without imposing an undue hardship on the District.

The District prohibits discrimination, discharge, retaliation, or any other unlawful acts against an individual because such person requests or receives an accommodation under this (or another applicable) policy, or because such individual engaged in any other conduct protected by the law. Additionally, as addressed in the District's separate policy on harassment, discrimination and retaliation, the District prohibits unlawful harassment, discrimination or retaliation against any employee on the basis of an individual's disability, religion, religious creed, sex (including pregnancy, childbirth and related medical conditions), status as a victim of domestic violence, sexual assault or stalking, or any other status as protected by law.

### **2.1.3 Anti-Harassment, Anti-Discrimination, and Anti-Retaliation**

The District has adopted a policy and complaint procedure against harassment, discrimination, and retaliation. The purpose of this policy is to establish a strong commitment to prohibit and prevent discrimination, harassment, and retaliation in the workplace; to define those terms; and to set forth a procedure for investigating and resolving internal complaints. Employees, applicants, unpaid interns, volunteers, officers, or officials who believe they have experienced any form of harassment, discrimination, or retaliation by managers, supervisors, co-workers or third parties whom they

have come into contact with are encouraged to report this immediately. Complaints may be made following procedures provided in Appendix A, Anti-Harassment, Anti-Discrimination, and Anti-Retaliation Policy, to the General Manager, Chief Financial Officer, by contacting the U.S. Equal Employment Opportunity Commission (EEOC), or the California Department of Fair Employment and Housing (DFEH).

It is the desire of the District that all work environments be safe, productive, and free of the influence of alcohol, marijuana, and/or controlled substances. The District recognizes that the use of alcohol, marijuana, and/or controlled substances in the workplace is not conducive to safe working conditions and will not be tolerated.

Employees will not be at work under the influence of alcohol and/or controlled substances, will not use alcohol, marijuana, and/or controlled substances while on duty or while on paid standby time and will not sell, manufacture, distribute or provide controlled substances to any person while on duty. The District has no intention of interfering with the private lives of its employees unless involvement with alcohol, marijuana, and/or controlled substances off the job affects job performance or public safety.

All employees of the District, whether or not in safety sensitive positions, are subject to reasonable suspicion testing for alcohol, marijuana, and/or controlled substances. In addition, safety sensitive employees (the Department of Transportation's definition includes any employee who must possess a commercial driver license) are subject to pre-employment and random, alcohol, marijuana, and/or controlled substance testing.

Appendix B contains the District's Drug Free Workplace Policy.

#### **2.1.5 Tobacco Free Workplace**

The District is committed to providing a healthy and safe workplace for its employees and the public. In keeping with this commitment and in accordance with state law, the use of tobacco or vaping products is strictly prohibited on District premises, other than specially designated areas, in District vehicles, on District work sites, or in the presence of District customers.

#### **2.1.6 Whistle-blower Protection**

The General Manager has primary responsibility for:

- Ensuring compliance with this Manual, and ensuring that District employees do not engage in improper activities
- Investigating allegations of improper activities
- Taking appropriate corrective and disciplinary actions

Employees are encouraged to fulfill their obligation to the public and the District by disclosing in writing to their immediate supervisor, to the extent not expressly prohibited by law, improper work-related activities within their knowledge. If the improper activity involves their immediate supervisor, the employee must follow the chain of command and alert the next responsible manager. Employees will not interfere with the General Manager's responsibilities in identifying, investigating, and correcting improper work-related activities.

An employee will not directly or indirectly use or attempt to use the authority or influence of his or her position for the purpose of intimidating, threatening, coercing, commanding, or influencing any other person to deter such person from acting in good faith to report or otherwise bring to the attention of the General Manager any information that, if true, would constitute:

The District also prohibits all the following:

- Taking any retaliatory adverse employment action against an employee because the employee has or is believed to have disclosed information to any government or law enforcement agency, including to the District, if the employee has reasonable cause to believe that the information discloses a violation of state or federal law, or a violation or noncompliance with a local, state, or federal rule or regulation (Labor Code § 1102.5(b))
- Preventing an employee from disclosing information to a government agency, including to the District, if the employee has reasonable cause to believe that the information discloses a violation of state or federal law, or a violation or noncompliance with a local, state, or federal rule or regulation (Labor Code § 1102.5(a))
- Retaliating against an employee for refusing to participate in any activity that would result in a violation of state or federal law, or a

violation or noncompliance with a local, state, or federal rule or regulation (Labor Code § 1102.5(c))

- Retaliating against an employee because the employee's family member has, or is perceived to have, engaged in any of the protected activities listed above

Any person who believes that he or she has been subjected to any action prohibited by this section may file a confidential complaint with:

1. The General Manager
2. Any member of the Board of Directors if the complaint involves the conduct of the General Manager

Upon the conclusion of an investigation, the General Manager (or the Board of Directors) will take appropriate action consistent with this Manual.

### **2.1.7 Conflict of Interest**

Pursuant to the provisions of Gov. Code § 87300, et seq. no official or employee will accept a fee, compensation, gift, payment of expenses or any other thing of monetary value in any circumstances in which acceptance may result in or reasonably create the appearance of any one or more of the following:

- Preferential treatment of any person
- Loss of complete independence or impartiality
- Making a District decision outside of official channels

Appendix C contains the Conflict-of-Interest Code.

### **2.1.8 Outside Employment**

An employee shall not engage in any paid or self-employment, activity, or enterprise which is inconsistent, incompatible or in conflict with his or her District duties, functions, responsibilities, or that of the department in which he or she is employed at the District. Part-time employees may engage in

outside business employment. To avoid perceived or actual conflicts of interest that may arise from outside employment, all employees must disclose any outside employment activities to the General Manager. (Gov. Code § 1126(a))

#### **2.1.11 Protecting District Security**

The only exceptions to this arrangement are if the employee is in the Introductory Period, as defined in section 2.2.3 below, or if there is a specific written agreement between the District and an employee which has been authorized in advance by the Board of Directors of the District.

#### **2.2.2 At-Will Employment**

For all employees hired on or after January 1, 2019, employment at the District is at-will. During this timeframe, both the District and the employee have an opportunity to get acquainted with one another. If, at the end of that timeframe, it is agree introductory period and continue your employment, your status will be changed to that of a “full-time” or “part-time” employee. Such must be confirmed in writing to be effective. The expiration of such introductory period shall not constitute a change in such employee’s status until and unless an affirmative action by General Manager is taken. The District may extend the first-year time frame in its sole discretion. Furthermore, the one-year time frame for an introductory employee assumes that the employee is working normal work hours during the entire time, if, for whatever reason, the employee has to go on any type of leave of absence during that time frame, the first year period will be automatically extended to whatever length of time the employee was on a leave of absence. Introductory employees are not entitled to participate in benefits provided by the District, except introductory employees begin accruing PTO leave at the beginning of employment and are entitled to the District’s healthcare benefits at the conclusion of the 30<sup>th</sup> day of employment. New employees may not take any vacation until after the first 180 days of their employment.

- An employee who has completed the introductory period and who regularly works a minimum of 40 hours a week on a continuing basis, is considered a regular full-time employee. Generally, full-time are eligible for all District benefits subject to the terms, conditions, and limitations of each benefit program.

Exempt employees are employees whose job duties meet the federal Fair Labor Standards Act (FLSA) requirements for overtime exemption. Exempt employees are compensated by salaries and are not eligible for overtime pay. The Chief Financial Officer or General Manager will inform the employee if his or her status is exempt. Exempt employees may have job assignments that require full or part-time work.

**Non-Exempt Employees:**

Non-exempt employees are employees subject to federal FLSA overtime regulations and will be compensated for overtime hours worked in accordance with the law. Non-exempt employees must comply with District policies regarding overtime work.

#### **Temporary Employees**

Temporary employees are employees who are employed by the District for short-term assignments and who are not considered regular employees. Temporary employees are not eligible for medical benefits and may be classified as exempt or non-exempt according to job duties and method of compensation.

This classification includes but is not limited to persons hired for the following reasons: seasonal peak workloads, water conservation program and emergency extra workloads.

### **2.2.4 Verification of Eligibility for Employment**

The District is required by federal immigration laws to verify documentation that shows each person's identity and legal authorization to work in the United States. All offers of employment and continued employment are conditioned upon furnishing satisfactory evidence of identity and legal authorization to work in the United States and everyone must attest to his or her identity and legal authorization to work.

### **2.2.5 Nepotism**

Relatives of employees or directors of the District will not be placed within the District as full-time employees for reasons of security, safety and/or morale. Present employees who marry one another will be permitted to continue their employment with the District only if they do not work in a supervisory relationship with one another or otherwise pose difficulties for supervision, security, safety, or morale. If such employee-spouses do work in a supervisory relationship with one another, the District will attempt to reassign one of them to another position for which he or she is qualified if

such a position is available. If no such position is available, then one of the employee-spouses will be required to leave the District's employment. The decision as to which employee will leave is left initially to the employee-spouses. If they do not decide which of them will leave, the District will determine based on the District's needs which employee-spouse will be required to leave the District's employment. Any separation or transfer resulting from the administration of this policy is not disciplinary and is not subject to appeal, or pre- or post-disciplinary appeal due process.

Relatives as referred to in this policy include spouse, registered domestic partner, parents, children, brothers, sisters, grandparents, stepfather, stepmother, stepbrother, stepsister, stepchild, niece, nephew, cousin, uncle, aunt, grandchildren, and in-laws, or any member of an employee's immediate household.

## **2.3 EMPLOYEE REIMBURSEMENTS**

### **2.3.1 Mileage Allowance**

In the event a personal vehicle must be used, the District will reimburse expenses based on the Internal Revenue Service (IRS) current Standard Mileage rate. The Chief Financial Officer will periodically adjust the mileage allowance to correspond to IRS guidelines. Employees must submit proof of the distance (e.g., a Google map of the route) traveled when requesting reimbursement.

### **2.3.2 Travel Expenses**

With the General Manager's permission, employees may travel to work related conferences and similar events. No family members, friends, etc., may ride in a District vehicle at any time. Flight travel should be in coach class; if an employee wishes to upgrade, the employee is responsible for the price difference. Receipts should be itemized and presented to the Chief Financial Officer for reimbursement of appropriate travel expenses, which may include airline tickets, hotel stays and other necessities.

Appendix D contains the Travel Procedures and Expenditures Policy.

## **2.4 DISTRICT VEHICLES AND PERSONAL VEHICLE USE**

### **2.4.1 Employee Use of District Vehicles**

District owned vehicles assigned to employees shall generally be restricted to District business only. Only District employees may drive or be a passenger in a District vehicle. District employees who are on-call may use the vehicle for commuting purposes and may maintain the vehicle at his or her residence, providing the employee resides within the 6 (six) mile limit per the housing stipend policy, so that they may report directly to a work site. De minimis use (such as stopping for a personal errand) during a

commute is permitted. Any use beyond de minimis, will be subjected to the guidelines under the Internal Revenue Code and Regulations. Staff may also use District owned vehicles for District related out of town travel and may take the vehicle home on the way to or from the event.

An employee using a District owned vehicle for these purposes shall provide evidence that he or she is covered under his or her own automobile insurance policy for any claims and damages arising out of his or her personal use of the vehicle. In addition, no individual other than the employee shall operate the vehicle except in the case of an emergency.

Drivers of District owned vehicles are personally responsible for any fines or other citations for traffic violations incurred during the use of the vehicle. The privilege of driving a District owned vehicle may be revoked in the event of repeated violations.

#### **2.4.2 Use of Personal Vehicles for District Purpose**

An employee who must use his or her personal vehicle for District purposes (e.g., driving to a conference when a District vehicle is either unavailable or impractical) will be reimbursed by the District at the standard mileage rate established by the IRS.

The employee shall provide evidence that he or she is covered under his or her own automobile insurance policy for any claims and damages arising out of his or her business use of the vehicle. This information must be on file with the Chief Financial Officer or General Manager.

Drivers are personally responsible for any fines or other citations for traffic violations incurred during the use of the vehicle.

### **2.5 CREDIT CARD USE**

#### **2.5.1 Authorized Users**

Credit cards are issued to supervisory employees through the authorization of the General Manager or Chief Financial Officer.

#### **2.5.2 Use of District Credit Cards**

Employees' use of District credit cards must adhere to the District Issued Credit Card Policy, which may be found in Appendix E.

#### **2.5.3 Account Reconciliation**

Detailed receipts for all purchases must be turned in to the supervisor for reconciliation against the monthly credit card bill. Supervisors are responsible for verifying all transactions on credit accounts and for presenting credit card bills and corresponding receipts to the Finance

Department in a timely manner. Late charges on credit accounts are unacceptable and may subject an employee to disciplinary action.

## **2.6 JOB PERFORMANCE**

### **2.6.1 Performance Evaluation**

#### **2.6.1.1 Content**

The performance evaluation is designed to help employees become aware of the progress made and/or of any areas for improvement. Employees will meet with their immediate supervisor to discuss the evaluation. Each employee is encouraged to ask specific questions and to comment about his or her evaluation. The employee's signature on the evaluation will be required to acknowledge receipt of the evaluation, and that the evaluation will be placed in the employee's personnel file. If an employee refuses to sign the evaluation, the General Manager and the supervisor will note the refusal on the evaluation and sign the notation. A copy of the evaluation will be provided to the employee. It is the responsibility of the employee to read and understand the content of the evaluation. An employee may submit written comments on the evaluation that will be included with the evaluation in the employee's personnel file.

A performance evaluation does not guarantee a merit pay increase, nor is it a promise of continued employment.

#### **2.6.1.2 Schedule**

The District will periodically review employee performance and discuss the review with the employee privately. Evaluations may be performed annually, unless otherwise specified by a supervisor. During the first six (6) months of employment, an employee may be evaluated at the completion of three (3) months and at the completion of six (6) months.

### **2.6.2 Change in Position**

#### **2.6.2.1 Promotion**

When District employees apply for a change in position, the District considers, among other things, the following factors:

- The qualifications for that position
- Evaluation of the candidate's competency, experience, and ability to perform the work, as determined by past performance and examination of personnel records
- Ability to perform essential job functions of the applicable position

The General Manager will consider the recommendations of the employee's immediate supervisors when reviewing qualifications for advancement. Change in position is effective upon approval by the General Manager but does not change the at-will nature of the promoted employee's employment with the District. A promotion will result in a new anniversary date, determined by the date of promotion.

#### 2.6.2.2 Lateral Transfers

A lateral transfer is where an employee moves from one (1) position to another that has the same wage range. An employee who moves to a lateral position may not necessarily be eligible for a step increase in pay, as this transfer does not constitute a promotion. Employees transferring to a different job assignment at the same level or grade do not change anniversary dates.

Such transfers may be made at the request of the District, or by the employee. An employee request will be considered and approved by the General Manager if a lateral position is vacant and only if the interests of the District are best served by doing so.

#### 2.6.2.3 Demotion

An employee's inability to perform satisfactorily in a new position may result in a return to his or her former position, provided the former position is available. An employee may also be demoted due to unsatisfactory work performance.

### 2.6.3 Fitness for Duty Exam

The District may require an employee to undergo a fitness for duty examination to determine whether the employee can perform the essential functions of the job with or without reasonable accommodation when there is significant evidence that:

- a. The employee's ability to perform one (1) or more essential functions of his or her job has declined
- b. Could cause a reasonable person to question whether an employee is still capable of performing one (1) or more of his or her essential job duties or is still capable of performing those duties in a manner that does not cause harm to himself, herself, or others

The District may also require that a District-approved medical provider conduct the examination.

### 2.6.4 Modified Duty

The District encourages employees to return to work through an interactive process. Any employee may request modified duty as an accommodation when a temporary disability limits the employee's ability to perform the

essential duties of his or her job. The District will consider the request consistent with federal and state laws including, but not limited to, the Americans with Disabilities Act (ADA).

## **2.7 EMPLOYEE RECORDS AND RIGHT TO PRIVACY**

### **2.7.1 General**

The District maintains a personnel file on each employee. A personnel file will contain only material that the District deems necessary and relevant or that is required by law. Personnel files are the property of the District, and access to the information it contains is restricted to protect employee privacy interests. Access to personnel files will be strictly limited to only those with a legitimate need to have such information for the District's business purposes, or if access is required by law, subpoena, or court order.

### **2.7.2 Employee Information**

Employees must notify the Chief Financial Officer or General Manager promptly of any changes to their home address, phone number, name or number of their dependents, marital status, name change or any other such information necessary for accurate record keeping.

### **2.7.3. Medical Information**

All medical information about an employee or applicant is kept in separate medical files and is treated as confidential. Access to employee or applicant medical information will be strictly limited to only those with a legitimate need to have such information for the District's business purposes, or if access is required by law, subpoena, or court order. In the case of an employee with a disability, supervisors may be informed regarding necessary restrictions on the work or duties of the employee and necessary accommodations.

### **2.7.4 Access to Personnel Files**

#### **2.7.4.1 Inspection of File**

Personnel files can be reviewed at reasonable times and at reasonable intervals, within 30 days of a written request. A former employee is entitled to inspect his or her personnel records one (1) time per year. (Labor Code § 1198.5(d)) A current or former employee and/or his or her representative, who wishes to review his or her personnel file should make a written request to the General Manager. (Labor Code § 1198.5(b)(2)(A))

The inspection must occur in the presence and location of the General Manager or designee and at a time that works best (Labor Code § 1198.5(b)(1)) without loss of compensation to the employee. (Labor

## Code § 1198.5(c)(2))

If a former employee files a lawsuit relating to a District personnel matter, the right to access personnel records may be suspended while the lawsuit is pending.

### 2.7.4.2 Copies

A copy of personnel records can be obtained within 30 days after the employer receives a written request. (Labor Code § 1198.5(b)(1)) A current or former employee who wishes to receive such a copy should contact the General Manager or designee in writing. The District may charge a fee for the actual cost of copying. (Labor Code § 1198.5(b)(1); 1198.5 (b)(2)(A))

Prior to making a copy of personnel records or allowing inspection, the District may redact the names of nonsupervisory employees. (Labor Code § 1198.5(g)) Under no circumstances will the District provide access or copying of the following categories of personnel file documents: records relating to the investigation of a possible criminal offense; letters of reference; ratings, reports, or records that were obtained prior to employment, prepared by identifiable examination committee members, or obtained in connection with a promotional examination. (Labor Code § 1198.5(h))

### 2.7.4.3 Representative's Inspection

To have another person/representative inspect his or her personnel files, a current or former employee must provide the person/representative with written authorization. (Labor Code § 1198.5(e)) The General Manager or designee will notify the employee and/or representative of the date, time, and place of the inspection in writing.

### 2.7.4.4 Personnel File Documents

No person inspecting a personnel file is permitted to add or remove any document or other item to/from the personnel file.

## 2.7.5 Employment Reference

All requests from outside the District for reference checks or verification of employment concerning any current or former employee must be referred to the Chief Financial Officer or General Manager. Information will be released only if the employee signs an authorization for release of employment information in the form prescribed by the District, except that without such authorization the following limited information will be provided: dates of employment, classifications held, and salary range.

## 2.7.6 Personnel Records

The District will keep employee personnel files after the termination of employment per the District's record retention policy.

## **2.8 SEPARATION PROCEDURES**

### **2.8.1 Resignations**

To leave District service in good standing, an employee should file a written notice of resignation with the General Manager at least two (2) weeks, preferred, before the employee leaves employment with the District. The General Manager may, however, grant good standing with less notice. "Resignation in good standing" does not include employees who resign while on suspension or while charges or disciplinary actions are pending or resign to avoid dismissal. Resignations may not be withdrawn without the General Manager's approval.

Nothing in this Resignation Policy is intended to or should be taken to limit the at-will employment relationship between the employee and the District. Either the employee or the District can terminate employment at any time with or without cause and with or without advance notice.

### **2.8.2 Layoffs**

The General Manager may abolish any position of employment and the employee holding such position may be laid off, transferred to a lateral position, or demoted if necessary due to lack of work, lack of funds or other economic reason, or because the necessity for a position no longer exists.

### **2.8.3 Exit Procedures**

Upon leaving employment with the District, each employee must return all keys and other District property in as good a condition as when received (normal wear and tear excepted) including but not limited to all files, records, documents, drawings, specifications, lists, equipment and supplies, promotional materials and similar items relating to the business of the District to the General Manager or his or her designee. The employee may be asked to participate in an exit interview with the Chief Financial Officer or General Manager. Each employee will be asked to sign a Personnel Action Form confirming receipt of the final paycheck and that all District property has been returned.

The Chief Financial Officer or General Manager will provide each employee with information regarding any conversion or continuation rights to insurance benefits. When leaving the District, employees and their dependents may have the right to continue group medical and dental benefits at their own expense temporarily under state and federal statute, commonly known as Cal-COBRA and COBRA, respectively.

**3.1. PROFESSIONAL CONDUCT****3.1.1 Professional Conduct**

District employees are expected to maintain a professional standard of conduct in the performance of their duties. Unsatisfactory performance and/or misconduct may subject an employee to discipline.

**3.1.2 Chain of Command**

When an employee is seeking clarification on policies, procedures, or specific assigned tasks, those questions should be directed to the employee's supervisor. To the extent an employee has questions that cannot be answered by the employee's supervisor, the employee should direct these questions to the General Manager or Chief Financial Officer. The District encourages employees to follow the chain of command in these instances to ensure that the matter is handled at the level nearest the problem and by the individuals who are most knowledgeable. If the situation cannot be resolved satisfactorily, the matter can be escalated to the next level in the employee's chain of command.

**3.2. DISCIPLINE****3.2.1 General**

For employees hired before January 1, 2019 (for cause employees) the discipline procedures are described more fully in section 3.2.4. below.

For employees hired on or after January 1, 2019, District policies, practices and procedures are not intended to create a contract of employment and do not, in any fashion, alter the at-will employment relationship under which the District operates. The District has the right to terminate an employee at any time without having to prove cause or justification. However, the District may choose to utilize discipline to address an employee's performance. For all employees, the District reserves the right to discipline District employees on the grounds set forth below. Disciplinary action may be progressive in nature, depending upon the severity of the violation, but serious violations will be addressed with little, or no, progressive discipline.

**3.2.2 Unacceptable Conduct**

The following is a non-exhaustive list of conduct that is prohibited:

- Falsification of employment records, employment information, or other District records
- Incompetence, inefficiency, or neglect of duty

- Possessing any open container of alcohol or possession of illegal drugs while on District property or using District equipment while under the influence of any impairment substances
- Insubordination, including but not limited to failure or refusal to obey the lawful orders or instructions of a supervisor or member of management, or use of abusive or threatening language toward a supervisor or member of management

- Working overtime without authorization or refusing to work assigned overtime

- Committing a fraudulent act or a breach of trust under any circumstances; dishonesty
- Violation of policies or procedures contained in this manual or any revisions thereof

### **3.2.3 Corrective and Disciplinary Action**

The General Manager has sole discretion and right to determine what corrective or disciplinary action is appropriate in each situation and is not required to treat each corrective or disciplinary action as a step in a series of progressive discipline. The following are types of counseling, reprimands, and discipline, which the District may impose:

#### **3.2.3.1 Counseling Memorandum**

A counseling memorandum will be provided to an employee to identify: a failure of appropriate conduct or performance issue; the performance the employee is to demonstrate in the future; and consequences for failure to correct the behavior or problem. A counseling memorandum will be retained in the supervisor's file until the completion of the evaluation year, and then documented in the employee performance evaluation, as the supervisor deems necessary.

#### **3.2.3.2 Verbal Reprimand**

A verbal reprimand is a verbal direction from a supervisory employee to discontinue inappropriate conduct or to correct a performance issue. A verbal reprimand will be documented in writing and retained in the supervisor's file until the completion of the evaluation year and then documented in the employee performance evaluation, as the supervisor deems necessary.

#### **3.2.3.3 Written Reprimand**

A written reprimand is written direction from a supervisory employee to discontinue inappropriate conduct or to correct a performance issue. A written reprimand will be retained in the employee's personnel file and documented in the employee performance evaluation. The employee has the right to have his or her written rebuttal attached to the reprimand in the employee's personnel file, if the employee submits the rebuttal to the issuing supervisory employee, the Chief Financial Officer, or General Manager within five (5) business days after the reprimand is received.

#### **3.2.3.4 Suspension Without Pay**

The District may suspend an employee from his or her position without pay. Documents related to a suspension shall become part of the employee's personnel file when the suspension is final and documented in the employee performance evaluation. Employees who are exempt from Fair Labor Standards Act (FLSA) overtime will only be

suspended as authorized by the FLSA.

#### 3.2.3.5 Reduction in Pay or Paid Leave

The District may reduce an employee's pay or paid leave. A reduction in pay for disciplinary purposes may take one (1) of three (3) forms:

1. A decrease in base rate of pay to a lower step within the salary range
2. A decrease in base rate of pay to an employee for a fixed period of time
3. A decrease in paid vacation or administrative leave, floating holiday, or compensatory time off

Documents related to a reduction in pay shall become part of the employee's personnel file when the reduction in pay is final and documented in the employee performance evaluation.

#### 3.2.3.6 Demotion

The District may demote an employee from his or her current position to a lower-level position or lower salary allocation. The employee must still meet the minimum qualifications for the lower-level position. Such demoted employee shall not be eligible for a promotion for a period of six (6) months unless an earlier date is otherwise recommended and approved by the General Manager.

A new Employee Performance Evaluation date shall be established unless otherwise recommended and approved by the General Manager.

Documents related to a demotion shall become part of the employee's personnel file when the demotion is final and documented in the employee performance evaluation.

#### 3.2.3.7 Y-Rate

The District may choose to Y-rate an employee when he or she is reassigned to a classification with a lower wage range on the salary schedule. The process of y-rating will allow the employee's base rate to remain the same. Y-rating will automatically end once future increases bring the employee's new wage range up to a level where the employee's Y-rated wage falls within the new wage range.

#### 3.2.3.8 Termination

The District may dismiss an employee from his or her position. Documents related to the dismissal shall become a part of an employee's personnel file when the dismissal is final.

### **3.2.4 Disciplinary Procedures For Employees Hired Before January 1, 2019**

For employees hired before January 1, 2019, before imposing a suspension of four (4) or more workdays, demotion or termination, the employee shall be entitled to the following rights:

#### **3.2.4.1 Service of Written Notice**

The affected employee shall be served with a written Notice of Intent to Discipline. The Notice shall describe the violation(s), the proposed discipline to be imposed, the reasons for the proposed discipline, a statement advising the employee of his/her right to request a hearing within two workdays after service of the Notice, and copies of any charges and materials upon which the proposed discipline is based, which copies shall be attached to the Notice of Intent.

#### **3.2.4.2 Service of the Notice of Intent to Discipline**

The Notice of Intent to Discipline shall be served whenever possible personally, or by first class mail to the last known address of the employee. Attached to the Notice shall be a Proof of Service, the original of which shall be kept in the employee's personnel file.

#### **3.2.4.3 Request for Hearing**

The proposed disciplinary action shall not be imposed until the end of the second full business day following the day the Notice of Intent was personally served, or at the end of the fifth full business day following the day the Notice of Intent was mailed. During that period, the employee's salary shall be continued to be paid, and he/she may be terminated at the end of the second (or fifth, as the case may be) business day if no hearing has been requested by the affected employee. In the event a hearing is requested, the employee shall continue to be paid until a final decision is made.

#### **3.2.4.4 The Hearing**

If the employee requests a hearing, it shall be conducted by a neutral third party, such as the General Manager, or an individual designated by the General Manager. The hearing shall be conducted as soon as possible after it is requested, usually no later than 3 business days following the request. The hearing is to be conducted informally for the purpose of giving the employee an opportunity to provide an explanation or mitigation, or to correct mistakes of fact. Neither the General Manager (or third party) nor the employee shall be represented by counsel or by union representatives. Normally, such hearings are concluded within a short period of time; however, the affected employee should be given such additional time as may be reasonably necessary to produce new information or to substantiate his/her explanation or mitigation. The hearing may be continued to a later time in the same day or the next day or such other day as may

reasonably be necessary for such purpose. The General Manager shall issue his/her decision within two business days after the conclusion of the hearing, either approving, disapproving, or modifying the intended discipline.

#### 3.2.4.5 Appeal

An employee may appeal the General Manager's decision to the Board (or the President or Vice President if a majority of the Board designates that individual to hear the appeal) in order to appeal the substantive allegations against him/her, the discipline or level or discipline. An employee must request an appeal hearing in writing within five business days of receipt of the decision after the hearing. The District will then notify the employee of the date and time of the appeal. Although the rules of evidence are relaxed, at the appeal hearing, the employee and the District staff advocating for discipline may present evidence, witnesses and cross-examine witnesses. The District staff and employee may, if appropriate, stipulate that certain documents may be used, if they both intend to rely on the same documents, such as, for example, the Employee Manual. The appeal hearing will be in closed session unless the Employee requests an open public meeting. Ordinarily, a decision will be rendered within thirty days after the close of the appeal hearing.

### 3.4 EXPECTATIONS

#### 3.4.1 Professional Appearance

Maintaining an appropriate professional appearance is essential to employment at the District. Appropriate appearance means attire and overall appearance that reflects positively on the District, meets the day-to-day needs of the work being done, and is consistent with this policy.

As representatives of the District, employees must present a clean and professional image to customers, coworkers, and management. Employees must practice good grooming and personal hygiene. Employees must dress in uniform, and appropriate safety wear if required or in a professional and appropriate manner otherwise. Appropriate footwear must be worn at all times during work hours or on stand-by duty.

Employees should check with their supervisor for guidance on questions relating to their workplace attire.

Employees who may be called on to switch job assignments during the day, must have appropriate work-related changes of clothing with them for the assignment.

*EXAMPLE: A meter reader on a hot day is wearing shorts and running shoes as he walks his route. He gets a call, pulling him from the meter route to help fix a leak. He changes into work pants, hard hat, and steel toe boots for that job.*

#### **3.4.2 Logo Attire**

Employees may only wear District uniforms for District-related business and shall not publicly wear District uniforms during non-work hours or for purposes unrelated to the provision of services for the District. Employees who fail to comply will be subject to discipline.

To maintain professional appearances and to prevent non-employees from wearing disposed District clothing, all worn District uniforms must be discarded.

#### **3.4.3 Customer Relations**

The District's image to customers and the general public is critical to our success. Accordingly, each employee is responsible for ensuring that his or her personal image and the District's image is raised to the highest possible level. All employees are expected to be prompt, polite, courteous, and attentive to District customers and the public.

#### **3.4.4 Limitations on Solicitations, Distribution and Access**

Employees are prohibited from soliciting for charitable, nonprofit, or personal activities during work hours. Circulating materials, such as school fundraisers or charitable walk-a-thons, is permitted during meals or breaks and before or after work.

**4.1 WORKING HOURS****4.1.1 Regular Hours of Work**

The regular hours of work each day are consecutive except for interruptions for meal periods. The 40 hours workweek consists of seven (7) consecutive days beginning on Saturday and ending the following Friday. "Overtime" is defined as time worked in excess of 40 hours worked in a workweek or time worked in excess of eight hours worked on a regularly scheduled workday.

**4.1.1.1 Seasonal Hours of Work**

The 4/10 work schedule shall consist of four (4) workdays of ten (10) hours for a total of forty (40) hours per week. The 4/10 work schedule begins on April 1<sup>st</sup> and ends on September 30<sup>th</sup> of each year. The 4/10 daily work schedule starts at 7:00 am and ends at 5:30 pm.

Appendix F contains the District's 4/10 Workweek Schedule Policy.

Employees' hours include an unpaid 30-minutes meal break, and two paid ten (10) minute breaks during each consecutive four (4) hours worked.

**4.1.2 Punctuality and Attendance**

Attendance and punctuality that is observant of scheduled hours on a regular basis is an essential function.

**4.1.2.1 Punctuality**

An employee who is not at work and ready to start working at his or her scheduled work time is considered tardy. More than three (3) instances of tardiness by a non-exempt employee during any 12-month period are considered excessive. Any unexcused absence is considered excessive. Excessive tardiness or absence is grounds for discipline, up to and including termination.

**4.1.2.2 Attendance**

Employees who are unable to report for work on any day must call their supervisor when practicable before the beginning of the workday or shortly after the beginning of the workday. Absent extenuating circumstances, employees must call in on any day they are scheduled to work and will not report to work. When an employee is absent for three (3) or more consecutive days, because of an injury or illness, a doctor note shall be required before the employee returns to work.

**4.1.2.3 Request for Time Off**

Employees shall request leave in advance with a minimum number of days' notice equal to the number of days of planned leave.

#### 4.1.2.4 Excessive Absences

One or more absences that are not preapproved, in consecutive pay periods may be excessive and subject to review by the General Manager and may be grounds for discipline, up to and including termination.

#### 4.1.3 Job Abandonment

The District expects employees to report to work on time for every scheduled shift. An employee who is unable to report to work at the designated time is required to notify his or her supervisor as soon as practicable but no later than the employee's scheduled start time. A constructive resignation occurs and is effective when an employee has been absent from duty for three (3) or more consecutive working days without authorized leave. The District may consider that a constructive resignation has occurred due to the absence, or that the absence provides a reasonable basis for believing that the employee has abandoned the job.

At minimum, one (1) phone call to speak with the employee will occur. A voice message may be left for the employee. If the employee is unable to contact the District for any absence, he or she should ask a representative (such as a family member) to do so on the employee's behalf. If the employee or a representative is unable to contact the District due to extreme circumstances (such as a medical emergency or natural disaster that prohibits the employee or his or her representative from contacting the District within the allotted time), the employee or his or her representative must contact the District as soon as practicable to explain the situation. In extreme circumstances, the District will consider the explanation and its timing before determining if the voluntary resignation will be upheld.

After being absent for three (3) consecutive working days, a written notice will be sent via U.S.P.S. Priority Mail, including a Proof of Service Form, to the employee. If known, a notice may also be sent to the employee's personal e-mail address. The employee will be given written notice, at employee's address of record, of the circumstances of the job abandonment, and an opportunity to provide an explanation for employee's unauthorized absence. The employee will be provided five (5) calendar days to respond in writing why employee's employment with the District should not be terminated due to job abandonment or to arrange for an appointment with the General Manager before final action is taken to explain the unauthorized absence and failure of timely notification. The decision of the General Manager is final.

## 4.2 COMPENSATION

#### **4.2.1 Overview**

The General Manager shall determine, and/or recommend, the compensation of all District employees based upon performance. Base rate of pay may be adjusted upward in a single fiscal year in an amount not to exceed five (5) % at the General Manager's discretion. All changes in the salary schedule will be reported to the Board of Directors.

The current salary schedule is available to employees from the General Manager or Chief Financial Officer. Only the grade level and classifications, including unfilled classifications, are displayed.

Employees who have consistently rated above average on their performance evaluations and have otherwise excelled in the performance of their job duties beyond what is ordinarily expected, may be eligible for a merit pay increase of one (1) level per year. Any decision to award a merit pay increase is made by and at the discretion of the employee's direct supervisor and the General Manager.

#### **4.2.2 Fair Labor Standards Act**

As a public agency, the District falls under the governance of the Fair Labor Standards Act (FLSA). FLSA regulates the wages paid to District employees, including overtime and recordkeeping. Information on the FLSA is posted on the District's bulletin boards. Employees who have questions regarding the FLSA should speak with the Chief Financial Officer or General Manager.

#### **4.2.3 Pay Periods**

Further information on direct deposit is available from the Chief Financial Officer.

All employees are expected to enter their time worked every day on their time sheet, which must be turned in by 4:00 p.m. on the payroll due date. Employees should direct questions regarding payroll to their supervisors. The employee's responsibility is to complete the time sheet accurately and submit it to their supervisor to review and approve. Failure to submit an accurate time sheet on time may result in a delay of payment or discipline, up to and including termination if the inaccuracy is intentional or due to gross negligence.

#### **4.2.4 Wage Garnishment**

The District must comply with court orders directing garnishment of wages. A garnishment will reduce the employee's take-home pay.

#### **4.2.5 Cost of Living Adjustment**

Cost of living adjustments (COLA) may be made annually at the determination and discretion of the Board of Directors. The COLA is generally based on the U.S. Bureau of Labor Statistics, Western Information Office - Los Angeles - Long Beach – Anaheim.

COLAs shall be used in computing all salary related costs and shall be effective on a date designated by the Board of Directors.

#### **4.2.6 Overtime Pay**

Non-exempt employees shall be eligible for overtime compensation. No employee shall work overtime unless the employee's immediate supervisor authorizes the additional work time. Employees who work unauthorized overtime will be compensated for such work, but will be subject to discipline, up to and including termination.

All hours worked over a regularly scheduled time worked in excess 40 hours in a workweek shall be paid at the overtime rate of one and a half (1.5) times the employee's regular rate of pay. An employee will be paid for overtime worked by rounding up to the nearest 15-minute interval.

*EXAMPLE: If a non-exempt employee who is scheduled for an eight (8) hour workday works an additional hour, he or she will be paid one (1) hour overtime, even if he or she has not exceeded 40 hours in that week.*

Standby duties cover the times when district offices are closed and generally include weekdays (Monday through Friday) for the hours from 4:30 pm to 8 am and weekend/holidays hours covering a 24-hour period, ending at 8 am on the next business day. The standby rotation week begins at 4:30 pm on Friday and ends at 8 am on the following Friday. - A call may be needed to the customer to determine the reason for the call. At the end of each week, on Monday, the answering service will send an email regarding all the previous week's text messages to the District
- All calls will be kept in a log on a form provided by the District and maintained in the truck. At the end of the on-call duty week, the completed form must be turned in to the District office where it will be maintained in the Standby Service Logbook. This log will include:

**5.1 INTRODUCTION****5.1.1 Notice**

This chapter of the Employee Policy Manual is intended to provide a general overview of the benefits currently available to eligible employees of the District. State and/or federal laws govern some of these benefits, while others are determined by the District or governed by a benefit provider. Should there be a discrepancy between the contents of this manual and a provision of an applicable law, benefit plan, or contract, then the law, plan document, or contract will prevail.

This manual does not describe all the exclusions, limitations, or conditions of the benefit programs. Employees who wish to review any official plan documents or who have questions about employee benefits may make an appointment with the Chief Financial Officer or General Manager for that purpose.

The District reserves the right to curtail, reduce, change, suspend or discontinue any non-vested benefit in its sole discretion at any time. After retirement, such policy may be changed the extent permitted by law. Eligible employees are those who have become full-time employees and who has been given written notice of passing their introductory period. Board Members are not included as eligible employees for the retirement plan. The effective date of participation in a retirement plan begins on the 1st day of the month after the employee is classified as a full-time employee who has been given written notice of passing the introductory period.

For detailed information, please contact the Chief Financial Officer or the General Manager.

### **5.8.2 Clothing and Boots Allowance**

The District offers an annual reimbursement of up to \$350 for field service personnel for personal protective equipment (PPE), e.g., steel/composite toe boots.

Rain clothes and coats are provided for field service personnel and paid for by the District.

All personnel may be provided with logo shirts.

### **5.8.3 Membership in Organizations**

The District may assist employees in the payment of membership dues for organizations related to the services and operations provided by the District. The General Manager has the sole discretion to decide whether the District will contribute toward membership dues for such organizations.

General Manager approval for all training requests must be obtained prior to attendance and/or making reservations. Reasonable fees, tuition, and approved expenses will be paid by the District; however, for courses and tests required to obtain or renew a license or certification required in the class specification for their position, employees will be reimbursed for fees, tuition, and approved expenses only after successfully obtaining the required license or certificate. If an employee fails a certification or licensing exam on his or her first effort, all subsequent expenses related to obtaining that certification must be paid by the employee.

**5.8.4 Employee Stipend for Residing Within Six (6) Miles of the District**

To attract employees to live in Idyllwild area to increase the efficiency and effectiveness of the district, as well as to reduce any turn-over.

Appendix H contains the Employee Stipend for Residing Within Six (6) Miles of the District.

**6.1 ABOUT LEAVES OF ABSENCE****6.1.1 Overview**

This Manual contains only a summary of available leaves. Some leaves have detailed requirements regarding eligibility, duration, benefits, etc. Employees should contact the Chief Financial Officer or General Manager for additional information.

**6.1.2 Adult Literacy Programs**

The District will make reasonable accommodations for any employee who reveals a literacy problem and requests assistance in enrolling in an adult literacy program unless it would result in undue hardship to the District. The District will also assist employees who wish to seek literacy education training by providing employees with the location of local literacy programs.

The District will take reasonable steps to safeguard the privacy of any employee who identifies himself or herself as an individual with a literacy problem. An employee who wishes to identify himself or herself as such an individual can contact the General Manager directly. Further, individuals who are performing satisfactorily or who can otherwise be reasonably accommodated will not be subject to termination of employment because they have disclosed literacy problems.

While the District generally encourages employees to improve their literacy skills, employees will not be reimbursed for the costs incurred in attending a literacy program. Employees may use accrued PTO to make up for work that is missed to attend literacy classes. (California Labor Code §1040-1044)

**6.1.3 Bereavement**

In the event of the death of a current spouse, registered domestic partner, child (step-child), parent (step-parent, legal guardian or parental figure), brother (step-brother), sister (step-sister), grandparent, grandchild or grandparent-in-law -, mother-, father-, sister-, brother-, son-, or daughter-, an employee may take up to five (5) scheduled workdays off with pay per year with the approval of the Chief Financial Officer or General Manager.

Bereavement leave is not compensable when the employee is on a pre-approved (paid or unpaid) leave of absence, bona fide layoff, or for days falling outside the employee's regular work period.

**6.1.4 Court Appearances****6.1.4.1 On-Duty Time**

Any regular employee called as a witness arising out of and in the course of District employment will be deemed to be on-duty and there will be no loss of salary, but any witness fees, not including mileage, received by the employee will be paid to the District. Employees released from witness duty during their normal duty hours will report back to work unless employees contact their direct supervisors and receive authority not to return to work. Non-exempt employees may use accrued Paid Time Off (PTO) for the remaining hours. Exempt employees who serve less than four (4) hours of witness duty may use accrued PTO for the remaining hours.

#### 6.1.4.2. Private Litigation

Any employee called as a witness in a private or civil matter outside the course and scope of their District employment will not be compensated by the District. Employees may use accrued PTO. It is the employee's responsibility to decide for payment of witness fees from the involved parties in accordance with the California Code of Civil Procedure.

#### 6.1.5 Hardship Leave

In extraordinary circumstances, the General Manager has the discretion to grant up to five (5) days of paid leave to an employee who needs to take time off from work due to a significant hardship, and who has exhausted all other paid leave accruals, PTO benefits, and paid administrative benefits.

Examples of circumstances that could demonstrate a significant hardship include, but are not limited to, the following:

- The employee was the victim of domestic violence, sexual assault, or stalking
- The employee was a victim of a serious or violent crime
- The employee was a victim of a major disaster or emergency

An employee requesting discretionary hardship leave must submit in writing to the Chief Financial Officer or General Manager describing the hardship in question. The General Manager may request additional information or require appropriate documentation before deciding to grant hardship leave. The requesting employee must exhaust all applicable paid leave before he or she is eligible to receive hardship leave. However, applying for hardship leave may be submitted prior to the anticipated dates that leave balances will be exhausted.

The decision whether to grant paid leave pursuant to this section is made at the sole discretion of the General Manager.

The decision to grant or deny leave under this section does not affect an employee's entitlement to unpaid leave pursuant to other provisions of this

Manual or applicable law. Hardship leave runs concurrently with any applicable unpaid leave provided by law.

#### **6.1.6 Jury Duty**

The District encourages employees to serve when called for jury duty. Exempt employees will receive full regular base rate of pay for up to ten (10) days of jury duty, less any daily jury fees paid by the court. Non-exempt employees will receive full regular base rate of pay while serving up to ten (10) days of jury duty. The time spent on jury duty is not considered work time for purposes of calculating overtime.

Employees who have the option to call in for juror status should exercise that option. The employee will provide to his or her supervisor evidence of jury service, such as notice for jury duty and any timecards or similar appearance documents issued by the court.

#### **6.1.7 Grand Jury Duty**

The District encourages employees to serve when called for Grand Jury duty. Employees should notify the District as soon as practicable of the need for leave to serve on a Grand Jury, including providing appropriate documentation. Nonexempt employees may use accrued unused paid time off for leave taken under this policy. Exempt employees will be paid their full weekly salary unless they are on leave for the entire workweek during which no work is performed. If so, they may use unused paid time off for leave taken under this policy.

Employees who have the option to call in for juror status should exercise that option. The employee will provide to his or her supervisor evidence of jury service, such as notice for jury duty and any timecards or similar appearance documents issued by the court.

#### **6.1.8 Leave of Absence Without Pay**

The General Manager may grant unpaid leaves of absence to employees in certain circumstances. It is important to request any leave in writing as far in advance as possible, to maintain contact with the supervisor and the Chief Financial Officer or General Manager during a leave, and to give prompt notice if there is any change in the return date. If the leave expires and the employee fails to report for work on the scheduled return date without contacting his or her supervisor and the Chief Financial Officer or General Manager, it will be assumed that the employee does not plan to return and has terminated his or her employment voluntarily. If the employee is unwilling or unable to return to work at the conclusion of any leave, employment may be terminated.

The employee must exhaust his or her accrued PTO before beginning an unpaid leave of absence. PTO is not earned during an unpaid leave of

absence, and an employee on an unpaid leave of absence is not eligible for holiday pay. An unpaid leave of absence can affect an employee's medical benefit plan coverage.

Employees must present verification of their need for a leave of absence for leave approval. An approved leave of absence may be up to eight (8) weeks, unless otherwise approved by the General Manager or provided by law.

Employees cannot obtain other employment (other than military duty) or apply for unemployment insurance while on a leave of absence. Acceptance of other civilian (non-military) employment while on leave will be treated as a voluntary resignation from employment with the District.

#### **6.1.9 Military Leave**

The District provides military leaves of absence to employees who serve in the uniformed services as required by the Uniformed Services Employment and Reemployment Rights Act of 1994 and applicable state laws.

The employee shall provide their supervisor with notice of the need for military leave when they are informed of the request for duty. A copy of the military orders specifying the dates, site and purpose of the activity or mission shall be provided to the supervisor upon receipt. Within the limits of such orders, the supervisor may determine when the leave is to be taken and may modify the employee's work schedule to accommodate the request for leave.

Employees on qualifying military leave will receive full pay to the extent provided by law. Employees on elective military leave may select to use accrued PTO during unpaid military leave. Employees on military leave are entitled to continued health plan coverage to the extent provided by the USERRA, the Uniformed Services Employment and Reemployment Rights Act of 1994. As with other leaves of absence, failure to return to work or to re-apply within applicable time limits may result in termination of employment.

Additionally, an employee who works more than 20 hours per week and who is the spouse of a qualified member of the Armed Forces, National Guard or the Reserves may be entitled to take up to ten (10) days of unpaid leave during a period in which his or her spouse is on leave from deployment during a period of military conflict.

Qualified California employees will be given up to 10 days leave during that time in which the employee's spouse or domestic partner is on leave from deployment in a combat zone with the active duty or reserve military or national guard during a period of military conflict. Employees may use

accrued vacation time to cover this absence. If the employee has no accrued vacation, the employee must request time off without pay.

Qualifying employees are employees who work an average of 20 hours per week and have a spouse or domestic partner who is serving as (1) a member of the U.S. Armed Forces and who has been deployed during a period of military conflict to an area designated as a combat theater or combat zone by the President of the United States or (2) a member of the Armed Forces Reserve Components or the National Guard and has been deployed during a period of military conflict.

Qualifying employees who wish to request this leave must provide the District with a written request for such leave within two business days of receiving official notice that the military spouse or domestic partner will be on leave from deployment. The employee must also provide written documentation to the District certifying that the military member will be on military leave from deployment.

#### **6.1.10 California Family Rights Act (CFRA)**

The California Family Rights Act (CFRA) authorizes eligible employees to take up a total of 12 weeks of paid or unpaid job-protected leave during a 12-month period. While on leave, employees keep the same employer-paid health benefits they had while working. Eligible employees can take the leave for one or more of the following reasons:

- The birth of a child (including the child of a domestic partner) or adoption or foster care placement of a child.
- To care for an immediate family member (spouse, domestic partner, child of any age, parent, sibling, grandparent, or grandchild) with a serious health condition.
- When the employee is unable to work because of a serious health condition (excluding pregnancy)
- A qualifying military exigency related to the covered active duty or call to covered active duty of an employee's spouse, domestic partner, child (of any age), or parent in the United States Armed Forces, as specified in Section 3302.2 of the Unemployment Insurance Code.

Employees must notify the District as soon as they are aware of the need for such leave. For foreseeable leave, the employee must provide 30 calendar days' advance notice. For events not foreseeable 30 days in advance, the employee must give notice as soon as is practicable, and generally must comply with the District's normal call-in or notice procedures.

All requests for CFRA Leave should include enough information to make the District aware that the employee needs qualifying leave, and the anticipated timing and duration of the leave, if known. If an employee fails to provide the

requisite 30-day advance notice for foreseeable events without a reasonable excuse for the delay, the District reserves the right to delay the start of the leave until at least 30 days after the date on which the employee does provide such notice. Once aware the employee needs leave, the District will inform the employee as to whether the employee is eligible under CFRA for such leave. The District may request documentation evidencing the need for such leave as permitted by law.

Eligible employees who take CFRA Leave should note that they are guaranteed employment in the same or a comparable position upon termination of such leave, subject to any exceptions provided by law.

If the District employs both parents who are entitled to CFRA Leave, both employees are entitled to 12 weeks of leave each.

The District will not discriminate against an employee for exercising CFRA rights or giving information or testimony as to the employee's or another person's CFRA Leave; nor will the District interfere with or limit the exercise or attempted exercise of such rights.

#### **6.1.11 Paid Family Leave**

California Paid Family Leave (PFL) provides up to six (6) weeks of partial pay to employees who take time off from work to care for a seriously ill family member (child, parent, parent-in-law, grandparent, grandchild, sibling, spouse, or registered domestic partner) or to bond with a new child entering the family through birth, adoption, or foster care placement.

PFL is not a leave entitlement; rather, PFL is a monetary wage replacement benefit for employees taking leave that would otherwise be unpaid (e.g., New Parent Leave, Pregnancy Disability Leave, or a leave of absence without pay). This benefit is offered through State Disability Insurance (SDI) and the State of California Employment Development Department (EDD). Health care benefits are not covered while on PFL but may be covered under another provision of this Manual. For information on compensation and health care coverage, please contact the Chief Financial Officer or General Manager.

The District does not employ 50 or more employees; therefore, District employees are not eligible for benefits under the Family Medical Leave Act (FMLA).

##### **6.1.11.1 Eligibility**

- Employee has earned at least \$300 from which SDI deductions were withheld during the employee's base year.

- Employee is unable to do employee's regular or customary work due to the need to provide care for a seriously ill family member or to bond with a new child.
- Employee has lost wages because employee was caring for a seriously ill family member or bonding with a new child.

#### 6.1.11.2 Definition

A serious health condition means an illness, injury, impairment, or physical or mental condition of a patient that involves any period of incapacity (e.g., inability to work or perform other regular daily activities) or inpatient care in a hospital, hospice, or residential medical care facility and any subsequent treatment in connection with such inpatient care; or continuing treatment by a physician/practitioner.

Unless complications arise, cosmetic treatments, the common cold, influenza, earaches, upset stomach, minor ulcers, and headaches other than migraines, are examples of conditions that do not meet the definition of a serious health condition for purposes of PFL.

SDI may require an independent medical examination of the care recipient to determine initial or continuing eligibility.

#### 6.1.11.3 Applying for Paid Family Leave

An employee must apply directly to SDI for PFL benefits. An employee may apply through the Employment Development Department (EDD) website or by submitting a paper application to SDI.

An employee must complete and submit a claim form no earlier than the first day family leave begins, but no later than 49 days after family leave begins or the employee may lose benefits.

SDI will notify the District that an employee is receiving PFL benefits.

### 6.1.12 Pregnancy Disability Leave

#### 6.1.12.1 Temporary Disability

A pregnant employee will be allowed to be absent for the period during which, in the opinion of their attending physician and, where necessary, a District designated physician, the employee is temporarily disabled because of pregnancy, childbirth or a related medical condition.

When an employee is disabled due to pregnancy, the employee will furnish the District a certification from their health care provider. The certification must include a statement that the employee is disabled due to pregnancy, the date on which the employee became disabled

due to pregnancy, the probable duration of the period or periods of disability, and an explanatory statement that, due to disability, the employee is unable to work at all or is unable to perform any one (1) or more of the essential functions of their position without undue risk to themselves, the successful completion of their pregnancy, or to other persons.

#### 6.1.12.2 Time of Leave Request

When an employee's leave is foreseeable and at least 30 days' notice has been provided, and if a medical certification is requested, the employee must provide it before the leave begins.

When this is not possible, the employee must provide the requested certification to the District within the time frame requested by the District within 15 calendar days, unless it is not practicable under the particular circumstances to do so despite the employee's diligent, good faith efforts.

An employee is eligible for PDL upon commencement of employment. There is no length-of-service requirement for PDL.

#### 6.1.12.3 Compensation During Leave

PDL is without pay. However, the employee may use accrued PTO. PDL will be treated as any other disability leave and may entitle the employee to short-term / long-term disability benefits or additional unpaid leave requested by the employee and granted by the General Manager.

#### 6.1.12.4 Benefits During Leave

In accordance with the State of California's Pregnancy Disability Leave law, an employee on PDL is entitled to up to four (4) months (17 1/3 weeks) of job-protected leave for the time that the employee is disabled due to pregnancy and/or childbirth. PDL does not need to be taken in one (1) continuous period.

If the employee is disabled by pregnancy, coverage will continue for up to four (4) months for each pregnancy (as opposed to each leave year).

While on PDL, the employee is entitled to continued coverage in the District's group health insurance and supplemental policies to the same extent as when the employee was working. As such, in order to maintain coverage, employees are required to pay timely the full employee contribution to maintain their group health plan coverage, either through payroll deduction or by paying the District directly. The District may recover premiums it paid to maintain health coverage, if an

employee does not return to work following PDL.

PTO does not accrue while an employee is on unpaid PDL.

Whenever an employee is also receiving PFL and PDL these leaves will run concurrently.

Part-time employees are eligible for leave on a pro-rated basis.

#### 6.1.12.5 Reinstatement

Upon the expiration of PDL and the District's receipt of a written statement from the health care provider that the employee is fit to return to duty, the employee will be reinstated to their original or an equivalent position, so long as it was not eliminated for a legitimate business reason during the leave.

If the employee's original position is no longer available, the employee will be assigned to an open position that is substantially like the employee's original position in terms of job content, status, pay, promotional opportunities, and geographic location.

If upon return from leave an employee is unable to perform the essential functions of their job because of a physical or mental disability, the District will initiate an interactive process with the employee in order to identify a potential reasonable accommodation.

An employee who fails to return to work after the termination of their leave will lose their reinstatement rights.

#### 6.1.12.6 Lactation Accommodation

In accordance with California Labor Code § 1030, the District will provide accommodations to lactating employees who need to express breast milk during work hours in accordance with applicable law. The break time, if possible, will run concurrently with the employee's regular break time. Break time for a nonexempt employee that does not run concurrently with rest time already authorized for the employee is unpaid. However, if the employee performs any work during such break, she must accurately record all time worked and the District will compensate her for such time.

In accordance with California Labor Code § 1031, the District will make all reasonable efforts to provide the employee with the use of a room or other location, other than the restroom, in close proximity to the employee's work area, for the employee to express milk in private. This room shall be clean, safe, and free of hazardous materials, contain a surface to place a breast pump and other personal items, contain a

place to sit, and have access to electricity or alternative devices.

In addition, the District will provide access to a sink with running water and a refrigerator suitable for storing milk (or other cooling device suitable for storing milk) in close proximity to an employee's workspace. In the event that more than one employee needs use of the lactation room, the District will discuss alternative options with the employees to determine what arrangement addresses their needs, such as finding an alternative space or creating a schedule for such use.

Employees who are nursing have a right to request a lactation accommodation. Such requests may be made verbally or in writing, should indicate the need for an accommodation in order to express breastmilk at work, and should be directed to the District's Human Resources Administrator. The District shall respond to such requests in a reasonable manner, not exceeding five business days. If the District cannot provide break time, location, or other reasonable accommodations in accordance with this policy, it will inform the requesting employee in writing. Because lactation accommodation needs may change over time, employees may request changes to existing accommodations by a written request to the District's Human Resources Administrator that describes the nature of the change that is requested.

The District prohibits any form of retaliation or discrimination against an employee for exercising or attempting to exercise any rights provided under the above policies. Any such conduct or violations of the above-referenced policies should be reported to the Human Resources Administrator. Employees also have the right to file a complaint with the California Labor Commissioner for violation of a lactation accommodation right described in the policy above.

#### **6.1.13 School Related Leave**

Pursuant to the Family School Partnership Act (Labor Code § 230.8), any District employee who is a parent, guardian or grandparent having custody of one (1) or more children in kindergarten or grades 1 through 12 or attending a licensed day care facility will be allowed up to 40 hours each calendar year, not to exceed eight (8) hours in any calendar month, without pay, to participate in activities of the school of their child, or to find, enroll, or reenroll his or her child in a school or with a licensed child care provider. The employee must provide reasonable advance notice of the planned absence. This leave may also be used to address a childcare provider or school emergency if the employee gives notice to the employer. The employee may be required to use PTO, vacation and/or compensatory time off to cover the absence. The District may require the employee to provide

documentation from the school as verification that the employee participated in school activities on a specific date.

#### **6.1.14 Substance Abuse Rehabilitation**

If an employee decides to voluntarily enter a substance abuse rehabilitation program, he or she may be eligible for an unpaid leave of absence to participate in the program. The District will take reasonable steps to safeguard the privacy of any employee who identifies himself or herself as an individual with a dependency problem. An employee who wishes to identify himself or herself as such an individual can contact a supervisor or manager of his or her choice directly. (California Labor Code § 1025)

While the District generally encourages employees to take action to treat dependency problems, employees will not be reimbursed for the costs incurred in attending a rehabilitation program. Employees may, however, use accrued PTO during a requested leave.

When recommended by a Substance Abuse Professional (SAP) pursuant to Department of Transportation regulations, participation in and completion of the rehabilitation program is mandatory. Prior to return-to-duty testing, an employee must follow the rehabilitation program recommended by the SAP and agree to sign a return-to-duty agreement. The duration and frequency of follow-up testing will be determined by the SAP but will not be shorter than one (1) year or longer than five (5) years.

*NOTE: Health insurance plans may provide coverage for rehabilitation costs. Health benefits information can be obtained from the District's Chief Financial Officer or General Manager.*

#### **6.1.15 Time Off for Victims of Violent Crime or Domestic Violence**

In accordance with California Labor Code § 230.1-230.2, any District employee who is a victim of domestic violence or sexual assault is entitled to take time off from work to seek relief (such as a temporary restraining order) or other assistance to help safeguard the health, safety, or welfare of the employee and/or his or her child. The employee must provide reasonable advance notice of the intent to take leave for this reason unless advance notice is not feasible. An employee may be required to provide documentation establishing the right to such time off.

Leave for this purpose is unpaid, though an employee may choose to use any available accrued paid leave.

The District will make every effort to maintain the confidentiality of the employee.

#### **6.1.16 Time Off to Vote**

In accordance with California Election Code, § 14000, employees are eligible for paid time off for the purpose of voting if they do not have sufficient time outside of working hours to vote. The intent of the law is to provide an opportunity to vote to workers who would not be able to do so because of their jobs.

Subject to the conditions above, an employee may take up to two (2) hours off to vote in a statewide election, without any loss of pay, if the employee is scheduled to work during voting hours (typically 7 AM to 8 PM). In general, a "statewide election" is defined as one (1) in which all voters in the state have an opportunity to vote on at least one (1) common race or issue. An employee is entitled to take as much time as actually needed to vote, but only up to two (2) hours of that time will be paid.

Time off for voting may be taken only at the beginning or end of the employee's regular work shift unless other arrangements are approved in advance by the General Manager. If the employee needs time off to vote, the employee must notify his or her supervisor at least two (2) working days prior to the election. The employee must note on the employee's timecard the time approved for voting purposes.

An employee, who serves as an election official in a local, special, or statewide election, is eligible for an unpaid leave on the day of the election. Employees should give supervisors as much notice as possible if they plan to serve as an election official. (California Government Code § 19844.7)

#### **6.1.17 Volunteer Firefighter's Leave**

If an employee is a registered volunteer firefighter who intends to perform emergency duty during work hours, the employee should alert his or her supervisor so that the District is aware that the employee may have to take time off to perform emergency duty. In the event the employee is a volunteer firefighter and needs to take time off for emergency duty, he or she should alert the supervisor before leaving District premises. (California Labor Code § 230.3-230.4) Time off for volunteer firefighter duty is unpaid leave, but employees may use accrued PTO.

#### **6.1.18 Workers' Compensation Leave**

All employees will be covered by the workers' compensation laws of the state. Employees who are absent from work by reason of an injury or illness covered by workers' compensation, will continue in pay status under the following provisions.

The District may integrate PTO and then compensatory time, with temporary disability payments for an employee who is eligible for workers' compensation. The employee will continue in pay status and receive his or her pay until his or her accumulated paid leave and authorized

compensatory time hours have been depleted to the nearest hour. Any employee who is eligible for temporary disability payments under the workers' compensation law will, for the duration of such payments, receive only that portion of the employee's regular salary that, together with said payments, will equal the employee's regular salary.

#### **6.1.19. Leave for Organ and Bone Marrow Donation**

The District will grant an employee the following leaves of absence:

- Bone Marrow Donation: A paid leave of absence of up to five business days in any one-year period for the purpose of donating the employee's bone marrow to another person.
- Organ Donation:
  - A paid leave of absence of up to 30 business days in any one-year period for the purpose of the employee donating the employee's organ to another person.
  - An additional unpaid leave of absence, not exceeding 30 business days in a one-year period, for the purpose of the employee donating the employee's organ to another person.

For leaves of absence under this policy that are paid, if an employee has earned and unused sick or vacation time available, the employee is required to first use up to five days of such paid sick or vacation time for a bone marrow donation and up to two weeks of sick or vacation time for organ donation.

In order to receive a leave of absence pursuant to this policy, the employee must provide written verification to the District's Human Resources Department that the employee is an organ or bone marrow donor and that there is a medical necessity for the donation of the organ or bone marrow.

Any leave taken for the donation of an organ or bone marrow will not constitute a break in service for purposes of the employee's right to salary adjustments, sick leave, vacation, annual leave, or seniority. During any leave taken under this policy, the District will maintain and pay for coverage under any group health plan, for the full duration of this leave.

Leave provided under this policy may be taken in one or more periods. Leave taken under this policy will not run concurrently with any leave taken pursuant to the federal Family and Medical Leave Act or the California Family Rights Act.

Upon expiration of a leave of absence authorized by this policy, the District will restore the employee to the position held by the employee when the leave began or to a position with equivalent seniority status, employee benefits, pay, and other terms and conditions of employment. The District may decline to restore an

employee because of reasons unrelated to the employee's exercise of rights under this policy.

**7.1 SAFETY****7.1.1 Injury and Illness Prevention Program**

The District is concerned about the safety of all employees and is committed to maintaining a safe work environment. District, State, and Federal law requires that employees be provided a working environment free from recognized safety hazards, and with proper tools and equipment necessary to accomplish work assignments in a safe manner. To achieve a safe work environment the District has adopted an Injury and Illness Prevention Program (IIPP). All employees shall be familiar with the IIPP and are responsible for implementing safe practices, policies, and procedures. Employees are expected to always act in the safest manner possible to protect themselves and others; therefore, the District encourages every employee to take action to prevent unsafe working conditions. All supervisors maintain a copy of the IIPP, and it is available upon request.

Appendix I contains the Injury and Illness Prevention Program.

**7.1.2 Personal Protective Equipment****7.1.2.1 Supervisor Responsibility**

Supervisors are responsible for training their employees on the use of Personal Protective Equipment (PPE). Employees are required to wear all PPE as required by their job function without exception.

Some employees are required to wear steel or composite toe cap boots. Additionally, employees who perform meter reading, who opt to wear tennis shoes, must have steel or composite toe cap tennis shoes.

**7.1.2.2 Safety Compliance Standards**

All boots and tennis shoes shall meet safety compliance standards and be identified with the ASTM F2413-11 number. ASTM F2413-11 is the Standard Specification for Performance Requirements for Protective (Safety) Toe Cap Footwear, which covers the minimum requirements for the design, performance, testing, and classification of protective footwear. The identifying number for compliant shoes can be found on the inside of the tongue.

Employees are responsible for maintaining their PPE in good condition and replacing damaged items in a timely manner so as not to create safety hazards.

**7.1.2.3 Failure to Comply**

Failure to use required personal protective equipment is a violation of CAL- OSHA requirements and will result in disciplinary action up to and including termination of employment with the District.

**7.1.2.4 Reimbursable Personal Protective Equipment**

Boots and tennis shoes as defined in this section are reimbursable through the clothing allowance as defined in Section 5.8.2.

**7.1.3 Workplace Violence Prevention**

The goal of the District is to provide every employee a safe work environment. To this end it is the District's policy that violence or the threat of violence, in the workplace will not be tolerated in any form. Workplace violence is any act or threat of physical violence, harassment, intimidation, or other threatening disruptive behavior that occurs at the worksite, ranging from threats and verbal abuse to physical assaults and even homicide, that can affect and involve employees, clients, customers, and visitors. If any employee observes or becomes aware of any of any workplace violence related actions or behavior by an employee, customer, consultant, visitor, or anyone else, he or she should notify the Human Resources Administrator or General Manager immediately. Further, employees should notify the Human Resources Administrator or General Manager if any restraining order is in effect, or if a potentially violent nonwork-related situation exists that could result in violence in the workplace.

All reports of workplace violence will be taken seriously and will be investigated promptly and thoroughly. In appropriate circumstances, the District will inform the reporting individual of the results of the investigation. To the extent possible, the District will maintain the confidentiality of the reporting employee and of the investigation. The District may, however, need to disclose results in appropriate circumstances, for example, in order to protect individual safety. The District will not tolerate retaliation against any employee who reports workplace violence.

If the District determines that workplace violence in violation of this policy has occurred, the District will take appropriate corrective action and will impose discipline on offending employees. The appropriate discipline will depend on the particular facts but may include written or oral warnings, probation, reassignment of responsibilities, suspension, or termination. If the violent behavior is that of a non-employee, the District will take appropriate corrective action in an attempt to ensure that such behavior is not repeated.

Under certain circumstances, the District may forego disciplinary action on the condition that the employee takes a medical leave of absence. In addition, the District may request that the employee participate in counseling, either voluntarily or as a condition of continued employment.

#### 7.1.3.1 Personal Safety

The District will provide reasonable accommodations to ensure the personal safety of its employees from outside parties. If a situation occurs where an employee feels they are in danger, they should remove themselves from the situation and immediately report the incident to a supervisor. The District will obtain a restraining order if necessary to protect employees from abuse by an individual not employed by the District if the threat is the result of District employment.

An Employee should notify the Chief Financial Officer or General Manager if a restraining order is in effect either protecting or restraining the employee or if the employee is connected in any way to a potentially violent non-work situation. Copies of any protective or restraining order must be provided to the Chief Financial Officer or General Manager.

Appendix J contains the District's Workplace Violence Prevention policy.

#### 7.1.4 Pepper Spray

The District is concerned with the welfare and safety of its employees in the field, especially in situations where employees may be confronted by a stray and/or aggressive animal. To address possible encounters with potentially dangerous animals, the District supports field staff's use of pepper spray for self-defense purposes. Pepper spray has been proven to be an effective form of self-protection when encountering dangerous animals. The spray does not kill the animal, but when properly applied, stops the animal, and provides the user with time to safely leave the area.

Pepper spray is a chemical with an active ingredient derived from the cayenne pepper plant. Use of pepper spray solely for self-defense purposes is allowed by state law in accordance with Penal Code § 22810.

Employees working in the field who have received authorization from the General Manager and completed the required training are authorized to carry and use pepper spray as a self-defense measure while on duty. Pepper spray is considered an available self-defense option to facilitate an employee's withdrawal from an assault or attack by an animal.

Appendix K contains the District Pepper Spray policy.
